

# BUILD YOUR OWN *Drive-Thru*

We are on a mission to build the perfect drive-thru for you. Our array of menu board and signage accessories were locally sourced and built to serve only the best solutions possible. Now, have some fun with it. Build the drive-thru that your brand deserves.

## STATIC, DIGITAL OR HYBRID MENU BOARDS?

	What you get	When to select	How to update
<b>Static</b>	LED backlit display for even and bright illumination	You have a simple, singular menu	Replace the graphic which is retained by a snap frame
<b>Digital</b>	55" Outdoor rated, commercial grade monitor	You have a dynamic menu with promotional items	Update content live and remotely for multiple locations
<b>Hybrid</b>	<b>Mix &amp; Match combination</b>
