

# STANDALONE CANOPY

## Drive Thru Accessory

Our Standalone Canopy includes 4 downlight, white LEDs. It is perfect if you want to create an order point with standalone components, or if you want to add more shade and protect your curbside pickup.

A Canopy will provide more comfort to your guests, protecting them from weather elements, while they finalize their choice and communicate it to your teams.

### CUSTOMIZE IT!

### Did you know?

DSA products are made of aluminum extrusions

Unlike assembled & bent sheet metal,  
**aluminum does not age:**

- » reinforced aluminum profile
- » more resistant to bending or denting
- » no visible welds or hardware, no rust
- » recyclable & sustainable,

### aluminum does not fail:

- » non-sparking, noncombustible
- » seamless, precise angles & corners
- » resists corrosion
- » lightweight, easy to install.
