

OUTDOOR TRIPLE PANEL MENU BOARD

Static and/or Digital content

Our Outdoor Menu Boards are durable, sharp looking displays used to introduce your menu content to your guests and facilitate their selection as they utilize your drive thru or make their way to your pick-up window.

✓ **MIX & MATCH!**

DSA Double Panel Menu Boards are designed to illuminate and highlight a digital, a static menu, or both!

✓ **EASY TO RETROFIT!**

You can keep the same enclosure if you decide to upgrade your menu board in the future, from static to digital!

Did you know?

DSA products are made of aluminum extrusions

Unlike assembled & bent sheet metal, **aluminum does not age:**

- » reinforced aluminum profile
- » more resistant to bending or denting
- » no visible welds or hardware, no rust
- » recyclable & sustainable,

aluminum does not fail:

- » non-sparking, noncombustible
- » seamless, precise angles & corners
- » resists corrosion
- » lightweight, easy to install.
