

# INDOOR/OUTDOOR DIGITAL KIOSK

Available in: Single or Double-Sided

The digital kiosk combines the latest and most effective digital signage and multi-touch hardware in a sleek, attractive design that can be incorporated beautifully into almost any environment or setting. Our design's robust durability ensures that your interactive kiosk will continue to perform under heavy use conditions. Our kiosk is fitted with tempered glass ensuring advanced safety and protection against external impact and damage in high traffic areas.

Our kiosks have a built-in internal memory making it easy to load your interactive content. In a few seconds, you'll be up and running!
