

INDOOR MENU BOARD

Static or Digital content

Our Indoor Menu Boards are durable, sharp looking displays used to introduce your menu to your guests and facilitate their selection as they get to your order point. Their brightness makes your menu content pop and capture your guests' attention.

We offer various menu board options so you can customize your order point by combining different sizes and orientations.

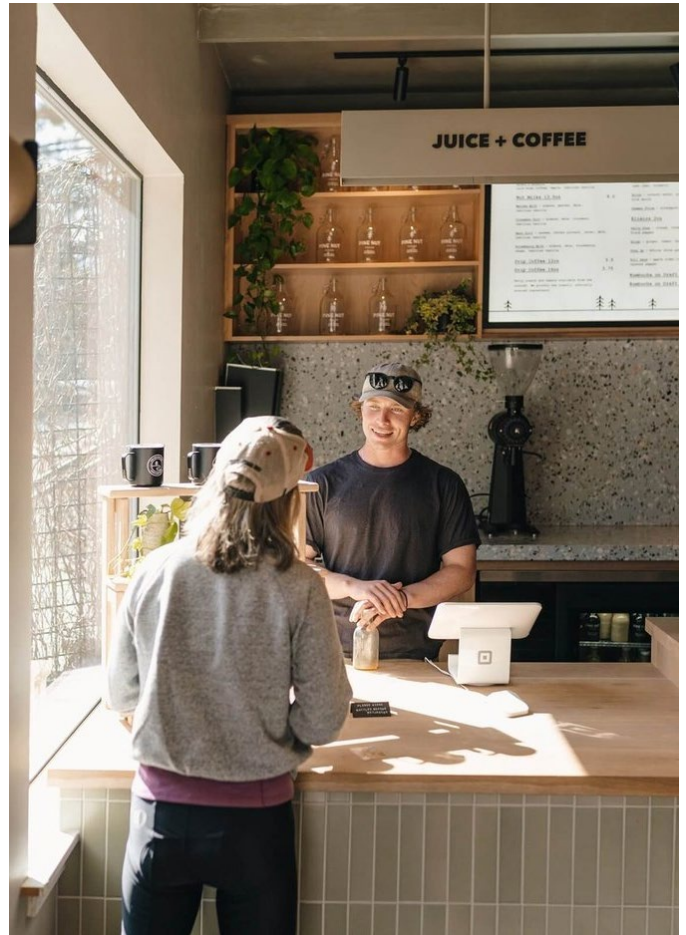

AVAILABLE IN:

Single-sided **Double-sided** **Slim profile** **Recessed**

Wall mount **Ceiling mount**

Whether you need a static or digital menu board, we make it easy and quick for you to edit your menu at any time.

Menu Creation & Print

Our in-house graphic experts can help at any stage of your menu design – from initial layout to final print-ready files. Ask your DSA rep about graphic services.
