

ORDER POINT CANOPY

Static and/or Digital content

Our Order Point Canopy (OPC) is a modular drive-thru solution that combines a menu board, speaker post, mic housing, and a canopy roof with 4 integrated 1-ft downlights, creating a clean, unified order point that enhances both functionality and visual appeal.

AVAILABLE IN:

Double Panel

Triple Panel

Lit Roof

Unlit Roof

Custom Powder Coat Colors available

MIX & MATCH!

Our OPC is designed to illuminate and highlight a digital, a static menu, or both!

EASY TO RETROFIT!

Keep the same enclosure if you decide to upgrade your menu board from static to digital in the future.

Did you know?

DSA products are made of aluminum extrusions

Unlike assembled & bent sheet metal, **aluminum does not age:**

- » reinforced aluminum profile
- » more resistant to bending or denting
- » no visible welds or hardware, no rust
- » recyclable & sustainable,

aluminum does not fail:

- » non-sparking, noncombustible
- » seamless, precise angles & corners
- » resists corrosion
- » lightweight, easy to install.
