

# ORDER POINT MENU BOARD

## Static and/or Digital content

The Order Point Menu Board is a compact, cost-effective drive-thru solution that integrates your menu board and speaker post into one sleek enclosure —without the added structure of a canopy. This low-profile option delivers full order station functionality in a smaller footprint.

**Lower-cost alternative** to the Order Point Canopy — ideal for budget-conscious QSR builds, legacy site retrofits, and new location launches.

### AVAILABLE IN:

- Double Panel
- Triple Panel

**MIX & MATCH!**

Our Order Point Menu Board is designed to illuminate and highlight a digital, a static menu, or both!

**EASY TO RETROFIT!**

Keep the same enclosure if you decide to upgrade your menu board from static to digital in the future.
